

Air Academy High School Athletics Sportsmanship Policy

Air Academy High School (AAHS) is committed to uphold the highest levels of sportsmanship in all competitive activities in which our students participate. Sportsmanship embodies the very essence of the Honor Code of AAHS.

If any student/athlete is officially disqualified or ejected from a Colorado High School Activities Association (CHSAA) event by an official, referee, or umpire for any type of unsportsmanlike behaviors, that student must appear before the "Sportsmanship Committee" of AAHS which shall be referenced further as the "Committee."

The "Committee" shall consist of the Athletic Director, an Assistant Principal, an out of season coach, and an out of season student/athlete.

The "Committee" will completely review the entire incident, which includes the ejecting officials report from CHSAA. The student/athlete will be interviewed pertaining to his/her behavior, attitude, and any relevant circumstances pertaining to the ejection. The entire purpose of the "Committee's" review of the incident is to determine if AAHS shall increase the length of suspension above that which is imposed by the CHSAA. This could be for one game or for all remaining games of that sport season.

The Athletic Director will provide a decision, both written and verbal to the student and his/her parents within one official school week following the incident.

The head coach of the sport in question has the right to permit or suspend the athlete from attending team practices while the AAHS suspension is in effect. Further, the student/athlete is completely suspended from all further intra-school competition until the "Committee" has rendered a final decision.

*Please sign and date acknowledging that you have read and understand the "AAHS Athletics Sportsmanship Policy" and return it to the AAHS Athletic Department.
